Re: Securities and Exchange Commission v. Lek Securities Corp. et al.  
Case No. 17 CV 1789 (DLC)

Dear Judge Cote:

The Securities and Exchange Commission's ("SEC") has been notified that the SEC Filter Attorney's submission to be filed under seal (pursuant to the Court's Order dated December 7, 2017 [ECF No. 132]) was rejected by the Sealed Records Department today. The submission was rejected because the submission included the Filter Attorney's signatures printed in color, and not in ink. The SEC intends to resubmit the Filter Attorney's submission with original signatures in ink to the Seal Records Department tomorrow (December 12, 2017). The SEC attempted to confer with Avalon on this issue and was unable to reach counsel.

Today, the redacted version of the Filter Attorney's submission was filed by ECF, and served on all counsel of record via ECF and to the Court by hand-delivery. The unredacted portions of the submission were served by hand-delivery and encrypted email on the Court, and served by overnight delivery and encrypted email on Avalon's counsel.

*Redactions are approved*

Respectfully submitted,
